This cute house has been the Hellwigs' home for many years. The house features 3 pedrooms, 1.5 baths and a nice clean & dry basement. A spacious living room and a great family room make this a great place for a family or someone wanting to move to town and off

of the farm. The kitchen and attached dining area are great for entertaining guests. Neutral carpet colors throughout, with an attached Single car garage. And check out the NEW windows throughout!

hop Building:

Located just west of the house is Willie's workshop. It boasts a spacious 1728 sq. ft. Lots of space would be great for a business he building has ample workspace and parking on the main floor, as well as a truck or camper bay on the west end. The upstairs could asily be made into an apartment, as has been started, or simply made into a large office. Has gas, oil and wood heat with central air, with lumbing and wiring throughout. This a great handyman's workshop! The building is approximately 44 by 40. It has three stories for lenty of great storage and an alley for off-street parking.
